7. Permittee's report:
  - August was a great month in the Bar. Permittee commented that it was the best August in her 6 year tenure, August is typically a slow month. There will be a price review on liquor, the cost of liquor is going up. The review is necessary to ensure the cost of bar sales is kept under control. There will be new seasonal beers on offer at the bar for the autumn. The red wine list will also be rotated for the autumn. The bar was short staffed during August, staff took vacation time and one staff member was out of work due to a medical procedure. The GAC is actively looking for a bar-back to work Friday & Saturday nights. This person would have to be 18+ years of age. Non-members can be considered for the role. The pin badges that went on sale at the bar are popular with members and are selling well.

8. Manager's report:

- Masks are required to be worn indoors again by CDC guidelines. Members should wear a mask when walking around the club. Masks can be removed if seated.
- The All Ireland Hurling Final was shown in the Bar on August 22nd with breakfast served after the game. The Football final between Mayo and Tyrone will be shown tomorrow. The Shamroques are playing in the bar the first Friday of the month, 10-15 musicians are playing, and our members are enjoying it. We helped the Redcross by hosting a last minute blood drive this month. The venue where they were meant to host the blood drive was closed at short notice. There is an issue with the alarm and the alarm company has advised that the panel needs to be replaced as it is 15 years old. There is a kids movie night taking place this evening and we have a full house. Family Fun will be hosted outside. Betty Leary has a new grandchild, her 13th! The GAC hosted a last minute wedding on August 21st, the bride and groom had their venue closed at short notice due to recent storms. 90 people attended. Half-way to St. Patrick's Day will be celebrated on the 19th. There will be no Oktoberfest this year. The McLean Avenue Band played on Sunday of the bank holiday weekend. The GAC hosted its first ever Labor Day BBQ on Monday, attendance was lower than Memorial Day and 4th of July BBQs but the event was still a success.

*Member; MaryAnn Doonan noted that there is an overgrown bush in the yard which has covered a window and requested that it be cut back. GAC Manager advised it will be cut back.*

- (We have a \$150,000 government loan that was acquired in FY 2020)
- Our SBA loan payment starts in September for \$621.00 per month.

- Jeff Devaney updated the cash flow this month. He assumed we paid the SBA loan back for \$150,000 in September. The revenue assumptions are conservative. This projects a cash balance at 12/31/21 of \$135,000, which is in line. It does not project any capital expenditures for the remainder of this fiscal year.

*Question from membership regarding bank fees, The GAC is paying \$1,200+ in bank fees monthly, this seems high. What are the fees for? - Tom Langdon advised he will review and report on fees at next month's membership meeting.*

12. Old Business:

- Feile Tax reimbursement will be settled in September.
- GAC ordered a bicycle rack for members to park their bikes. The wrong size was delivered. This rack has been returned and we are waiting for the next delivery.

13. New Business:

- President Forde addressed the consistent low attendance at monthly membership meetings. Both July and August failed to gather a quorum. Low attendance at membership meetings has been an issue for some time.
- Suggestions from the membership included moving to a quarterly membership meeting replacing monthly meetings.
- A survey will be sent to all GAC members to determine members preferences for membership meetings.

Club President; Gerry Forde adjourned the meeting at 9.05pm.
